Angono, Rizal

EDUCATION

Bachelor of Science in Information Technology

FEU Institute of Technology
2020 - 2024

Senior High School

Siena College of Taytay
2014 - 2020

EXPERTISE

- MERN stack
- Laravel
- Jest
- Vitest
- Git Version Control
- SQL
- Unity Game Engine
- Autodesk Maya

PROFILE

Highly motivated Information Technology graduate with strong practical experience in web development. Completed internships at two companies, demonstrating a proven ability to excel in both backend and full stack development. Eager to leverage these skills in a dynamic development role to contribute to innovative projects and deliver exceptional results.

WORK EXPERIENCE

Research and Development Intern

April 2024 - May 2024

GlobalTek BPO Inc. | Makati City, Philippines

Developed a learning management system utilizing the MERN tech stack, which included implementing Stripe for seamless payment integration and Google Single Sign-On (SSO) for enhanced user authentication and experience. Additionally, conducted thorough unit testing for various components of a company project using the Vitest framework, ensuring the reliability and robustness of the software. This involved writing and executing a series of detailed tests to verify the functionality of the code, identifying and addressing any issues or bugs, and collaborating with the development team to implement necessary fixes and improvements.

Web Developer Intern

December 2023 - March 2024

Highly Succeed Inc. | Mandaluyong City, Philippines

Successfully contributed to the development of REST APIs for the company's projects, optimizing CRUD functionalities using the Laravel framework. Assigned as an L1 technical support for a mobile app, handling user reviews, addressing user complaints, and identifying bugs in the app.

CERTIFICATIONS

- Autodesk Maya: Certified User
Certiport - 2023
- ITS Specialist: Databases
Certiport - 2022
